When winter goes the butterfly sheds his somber cocoon and emerges in brilliant array. And women, though wingless, follow suit. Gray-colored prints are in demand, and to satisfy the need materials are being created for spring and summer that will be appealing to the eye, and at the same time, pleasing from the practical point of view.

The vogue for cotton prints has the backing of the stylists, and so one sees today in the finer shops dresses for all occasions fashioned of soft, finely woven cotton. One can easily understand their popularity, for what can be more satisfying than a garment that has the merits of beauty, coolness and washability?

Red cherries, blue harebells or green twining vines adorn these cottons and linens, and they will remain as red, as blue and as green throughout all their washings for they come in fast colors in the best fabrics and laundering with soap and water only brings out their beauty. Colors that neither fading nor sunshine can fade may cost a little more at the beginning but they are far more economical than frocks which may look pale and wan after their first few tubbings.

Wearing old, misshapen shoes for housework is an uncertain economy for it may cause backache and tired feet, with a consequent lack of efficiency.

Children's colds are sometimes the result of tiredness or overfatigue. Such fatigue may be prevented by the habit of a short rest after lunch and an early bedtime.

WIFE BROODING OVER DIVORCE, ENDS HER LIFE

Brooding over her inability to effect a reconciliation with her husband, from whom she recently obtained an interlocutory decree of divorce, Mrs. Carrol Newton, 39, wife of the manager of the Tilden Lumber company's Crockett branch, shot herself to death at her Crockett home yesterday.

Firing a bullet into her body in the bed room, Mrs. Newton, wounded through the heart, staggered twelve feet into the kitchen and fell near a table at which her son, Robert Wolcott, 20, her daughter Frances, 6, and her stepson, Fred Newton, Jr., were seated at breakfast.

Dr. F. L. Horne was summoned but Mrs. Newton died before he arrived. The physician found that the bullet had clipped the upper edge of the heart and that death was due to bleeding internally.

Two notes written by Mrs. Newton, one addressed to her husband, Fred Newton, former manager of the Richmond Lumber company, who is president of the Crockett Valley Businessmen's association, and the other to a friend, Mrs. L. E. Hart, wife of a Crockett banker, were found on a dresser in the bedroom.

In the note to Newton, it is said Mrs. Newton bemoaned her inability to effect a reconciliation and told of her intention to end her life. Contents of the note to Mrs. Hart were not disclosed.

Mrs. Newton's body was taken to Martinez by Deputy Coroner John S. Connolly.

Mrs. Newton, after preparing breakfast for her children, went to her bedroom. Aroused by the shot the children had not left their chairs before Mrs. Newton staggered into the kitchen, said she had shot herself and fell unconscious on the floor. The revolver, of .38 calibre, was found in the bedroom.

Mrs. Newton filed suit for divorce, charging cruelty on February 23, and secured an interlocutory decree two days later, being awarded custody of her daughter and \$50 monthly for support.

In her suit she charged that her husband had criticized her cooking and housekeeping and had told her he was "dread of married life."

OUR REPAIR DEPARTMENT IS ALWAYS AT YOUR SERVICE

The Giants finished last year with the defensive and inspirational aid of Rogers Hornsby and the question now seems to be: Can the Giants finish first without him?

This may seem like laying too much stress on the importance of one player with such other effective and highly efficient performers around as Billy Terry, Freddy Lindstrom and Travis Jackson, but it seems to be the main consideration with most of the folk who are seriously observing the Giants as pennant contenders.

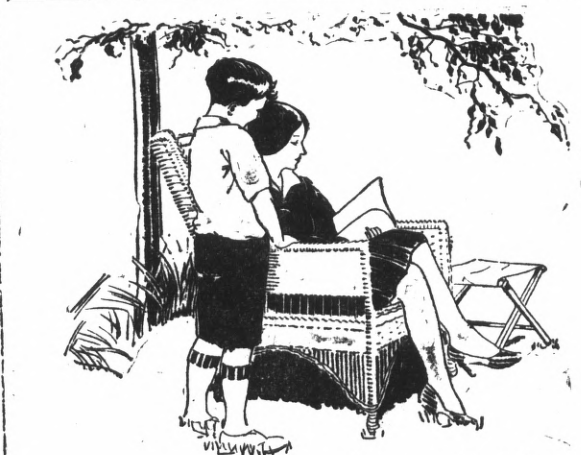

Finishing first with a team that doesn't appear to be much improved, if any, over last year, is going to be a hard job, but certainly any outfit that has the wallop of the Giants and the leadership of John McGraw can't be waved aside with the remark that the Braves, Cards and Cubs are still there to be beaten out, and all just as strong or a bit improved over last year.

Billy Terry, probably sharing honors with Lou Gehrig as the best first baseman in baseball, Jackson, one of the outstanding offensive shortstops, and Lindstrom a long-up third sacker, give the Giants three powerful players in the infield.

Second base of course, is the weak spot, or the spot at least where a weakness is most liable to show itself.

McGraw is at the moment highly enthusiastic over Andy Cohen. He thinks he's going to fill Hornsby's shoes well enough to let the Giants continue through the season pennantwards, but that remains to be seen.

He has looked good this spring however, which is something that can't be taken away from him. With Lefty O'Doul, Ed Roush, George Harper, Leslie Mann, Jim

One of the 30,000 California women who cook with electricity

The morning shower refreshed the air. Warm sunshine has dried the grass. It is an afternoon to be outside. Friends are coming for dinner—four people beside the family! And this woman is spending the afternoon in her garden.

She uses an electric range. The whole dinner was placed in the oven at one o'clock. At four, the electricity turned on and started the meal cooking. A Temperature Control keeps the oven at the proper temperature. At six, the current will turn off. The insulated oven will keep the meal warm until dinner is served.

That is the freedom you'll enjoy with electric cooking.

Why don't you eliminate the monotony of preparing meals by using an electric range? You can see them at our office.

SEALS BEAT ACORNS IN FIRST GAME

Scoring four runs in the first two innings, the champion Oaks looked like possible winners of the first game of the current crucial series against the San Francisco Seals, but their lead was cut down, tied and then overcome, sending them home with a 10 to 6 defeat.

Del Howard put Beohler on the mound in an attempt to grab the first contest, while Nick Williams chose Dutch Ruether, who held the Oaks safe after the second inning, and eased up a little in the final frame when the Acorns crossed the plate twice.

Trailing by a count of 4 to 1 in the third stanza, Nick Williams' cohorts, aided by free passes and two safe blows, scored three runs to knot the count. In the sixth they exploded with a volley of basehits that netted six runs.

Arlett put one over the fence for the Oaks, while Mussel got a two base blow and a single. For the Seals the big bat of Smead Jolley crashed out three hits and figured prominently in the scoring.

Friday the Scots will participate at Vallejo in a joint ceremonial with the pyramids of Vallejo, Santa Rosa and San Rafael.

A large group of professional and business men last night attended the physical culture class at the Roosevelt gym under the direction of W. L. "Doc" Seawright, city recreational director. The classes are held every two weeks and many local men are availing themselves of the opportunity to get tired muscles into action.

BEARS, CARDS PREPARE FOR "BIG MEET"

BERKELEY, April 17.—Walter Christie's University of California track and field squad which on Saturday made a highly creditable showing against the University of Southern California, will visit Stanford Saturday, for the annual "Big Meet."

While the Bears are conceded no chance to topple Stanford in this engagement, improved performances have marked their last two starts and Christie's men will make things interesting for the Cards in more than one event.

Christie hopes to see his men score some 43 points, duplicating their performance of last year. There is now on his squad but eleven of the 43 points scored last spring and the remainder of the prospective total must be recruited from the ranks of those competing in their first "Big Meet."

Kenneth Vantress, Bear half miler, who on Saturday outsmarted Ed Gloege and Bryce Schurr of U. S. C., is favored to defeat McGuire of the Cards in the 880 yard event, while the Bears' miler, Harry Carter and Ned Cherry, will make things more than interesting for Alex McKinnon of Stanford in the four lap race.

McKinnon ran one race this season in 4 minutes and 27 seconds, while Christie's milers tied for first against U. S. C. in 4 minutes and 28 7-10 seconds. They finished together almost in a walk and had Carter not slowed down to wait for Cherry should have approached the 4 minute 25 second mark.

The feature of the "Big Meet" will likely be the 440 yard dash with Captain Lank Talbot, of California and Captain Bud Spencer of Stanford pitted against one another. Johnny Morrison of the Cards will make it a fast trio. Spencer, who has approached the world's record in the 440 is favored, of course, but Talbot has not been extended this season and has done under 50 seconds.

Jap Ball Club To Play U. C.

BERKELEY, April 17.—Baseball at the University of California will take on an international flavor this week when the Kelo University nine, champions of Japan meet Coach Karl Zamloch's Bears tomorrow afternoon on West Field here.

The game will be the first played by Kelo on their trip to this country, and will be followed by second encounter April 23. After meeting Stanford, St. Mary and Southern California on the Pacific Coast, the Japanese will meet Harvard, Yale, Princeton, Columbia and other leading teams of the Atlantic seaboard and middle West.

High Scores Made In Bowling Meet

J. DeBaere and P. Buttach rolled 1286 in a double tournament, held at the California Recreation alleys Monday night. The latter had 641, while the former turned in a score of 241 in a single game.

J. Murray and G. Rossi scored 179.

CLUB PRACTICES

Members of the Y. M. I. baseball club are holding practice sessions in preparation for a series of games which will be scheduled in the near future. The next practice will be held Sunday at Nicholl field.

The Stanford team will score most heavily in the field events and should score a clean sweep in the shot put and take two of three places in the broad jump, the pole vault and the javelin. Irv. Phillips of California, who has thrown over 140 feet, has a chance of placing second to Eric Krenz of Stanford in the discus and the Bear high jumpers may take second and third behind Bob King of the Cards.

TRACK STARS PREPARE FOR CROCKET MEET

A track meet scheduled between Richmond high school and Crockett has been postponed to next Monday, when the cinder artists of the two schools will decide honors in the various events.

Coach Ivan Hill's men, minus a track, are getting what practice they can on a vacant lot on Twenty-third street. In spite of this handicap the Richmond representatives are in remarkably good shape and can be depended upon to make a strong showing against the Crockett squad.

Bob Van Fleet and Scarsella are banked on for consistent first places and will probably share greatly in boosting the locals' sum total on the track. Roy Carson has shown improved form at hurling the discus and he may spring a surprise. Schaefer, Bumgarner, Long, Heegar and Melin, veteran track and field men, are prepared to make their customary good showing.
